The application has been amended and is believed to be in condition for allowance. Previously, claims 1-8 and 10 were pending, claim 1 being independent. The pending claims have been amended as to form. New claims 11-14 comprise recitations previously found in the originally pending claims.

The Official Action objected to the drawings. The Official Action noted that section line B-B should be revised and that the B-B in Figure 5 be deleted.

Responsively, Figure 4 has been amended to change the section line to read V-V. The section identification B-B has been deleted from Figure 5.

In view of these amendments, withdrawal of the drawing objection is solicited.

The Official Action objected to the abstract due to form. Responsively, the abstract has been amended and is believed to be proper as to form. Withdrawal of the abstract objection is solicited.

Responsively, the claims have been amended to address the noted formal matters. However, the Official Action stated that claim 4, line 4, contained a misspelled word, i.e., "correspfonds". This misspelling was not able to be located and accordingly, no amendment was made. Should a spelling or other formal amendment remain, it is requested that the Examiner contact the undersigned attorney so as to coordinate the necessary amendment.
